---

### Professional Summary

**Mr. Ferry** is a Professor in the Department of Community Health Nursing, Faculty of Nursing, Airlangga University, Surabaya, Indonesia. He is an active member of the Association of Community Health Nursing Educators (ACHNE), based in Dayton, USA. His PhD in Community Health Nursing focuses on Indonesian migrant nurses, addressing critical issues such as ethical recruitment, fair labor practices, and health equity. Prof. Ferry has collaborated with Indonesia's Ministry of Health and developed *Pasar Kerja Perawat*, an Android-based application with over 8,000 users from Indonesia and abroad. He has also been involved in various projects in the area of Human Resources for Health at the Ministry of Health of Indonesia, World Health Organization and other international partners. His research interests include health policy, community health, maternal and child health, and nurse migration.
