Azaz Ahmad Khan

Department of Biotechnology, University of Malakand, Pakistan.

azazahmadkhan6@gmail.com

OBJECTIVES

I am a research student aiming to obtain new research opportunities to provide services that promote the well-being of humankind. My eventual goal is to get a scholarship from any prestigious institute.

WORK EXPERIENCE

Mar 2022 – Current

Medical Sales Officer at SAMI Pharmaceuticals

"I am thriving as a medical sales officer at SAMI Pharma, consistently exceeding sales targets and cultivating strong relationships with healthcare professionals. My role has further honed my sales and communication skills, enabling me to effectively promote pharmaceutical products and deliver valuable information to clients and colleagues.

RESEARCH ASSISTANT

Sep 2020 – Dec 2021

Department of Biotechnology, University of Malakand

I have spent almost 14 months researching at the Department of Biotechnology, University of Malakand. I was chosen because of my required skill set for the research work. Besides this, I also guided other undergraduate students in designing and performing their experiments.

EDUCATION

Oct 2017- Nov 2021

Bachelor of Science in Biotechnology

University of Malakand, Chakdara (Pakistan)

Supervisor: Professor Dr Aftab Ali Shah

Aug 2015- Sep 2017

Higher Secondary School Certificate

Government Degree College Gulabad (Pakistan)

Major: Pre-Medical

FUTURE INTEREST

- Nanotechnology
- Health Biotechnology
- Nanomedicine
- Drug Discovery
- Diabetes Mellitus

PROJECT

Review Articles

Association of MIR423 Variant (RS6505162) With Susceptibility To Type-2 Diabetes Mellitus

The project was assigned to me during my BS Degree. The research was carried out at the Department of Biotechnology, University of Malakand. The project aimed to find out the impact of MIR423 in non-coding regions of the genome in Type-2 Diabetic patients.

LANGUAGE

Mother Tongue	• Urdu	• Pashto
Other Language	• English	

PERSONAL SKILLS

Lab Skills	• DNA Extraction	• PCR
	• Protocol Optimization	• Electric Gel
	• Centrifugation	• Sonication
	• Gel Documentation	• Report Preparation
Digital Skills	• Microsoft Office	• Zoom
	• GraphPad	• Endnote
	• Basic Computer Knowledge	• Biorender
Other Skills	• Able to work in a Team	• Self-Motivated
	• Hardworking	• Energetic and Cooperative
	• Punctual	• Good Working Techniques in the Laboratory
	• Easy Adaptation to new Environments	

HONOURS AND AWARDS

- Attended the "Personal Protective Equipment (PPE) Training" for Health Certificate of Participation at University Foundation Week Celebrations – University of Malakand
- Certificate of Participation at AASSA-PAS Webinar Series / Hybrid Workshop 2021, Pandemic Preparedness: Science and Countermeasures – Pakistan Academy of Sciences
- Certificate of Participation at Personal Protective Equipment (PPE) Training for Healthcare Workers – Health Services Academy
